The Transaction was non-arms length, involving board members of Happy Belly, namely Sean Black, Alex Rechichi, and Mark Rechichi (the "Vendors"). To ensure transparency and fairness, an independent Review Committee comprising of Shawn Moniz, Gary Fung, Kevin Cole and Dean Callaway was established to scrutinize and negotiate the Transaction's terms.

#### Acquisition Closing and Transactional Details

Following the Issuer's January 5<sup>th</sup>, 2024 press release, the Issuer entered into a share exchange agreement with the Vendors of CraveIT on January 4<sup>th</sup>, 2024 (the "Share Exchange Agreement").

In connection with the Transaction, and as a condition of closing, the Issuer intends issue to each of the Vendors, divided equally (being one third to each of the Vendors (as defined below)): (i) common shares of the Issuer (the "Consideration Shares") in the aggregate value of \$450,000, in exchange for all of the issued and outstanding shares in the capital of CraveIt, and (ii) common shares of the Issuer in the aggregate value of \$50,000 as a working capital payment (the "Working Capital Shares"), with the Consideration Shares and Working Capital Shares to be issued at a price that is equal to the 10 day VWAP of the Issuer's common shares as of the day immediately prior to the Closing Date. Out of the Consideration Shares, \$360,000 in shares will be restricted from trading for 12 months (the "Base Purchase Price") and \$90,000 in shares to be restricted for 13 months, with \$45,000 in shares (the "Escrowed Shares") of the \$90,000 to be held in escrow. The parties have appointed Garfinkle Biderman LLP as escrow agent (the "Escrow Agent") with respect to the Escrowed Shares pursuant to the terms of the Share Exchange Agreement.

In addition, the Issuer agreed to issue earn-out payments (if achieved) in the form of the Issuer's common shares (being one third to each of the Vendors) ("Earn Out Shares") following the 12 month anniversary of the closing of the Transaction, for the positive difference between the actual EBITDA that CraveIt [and its Subsidiaries achieve] and the estimated EBITDA for the 2024 calendar year, all multiplied by 6, to be issued at a price that is equal to the 10 day VWAP of the Issuer's common shares in and around the month subsequent to the 12 month anniversary of the closing date. Should the actual EBITDA be less than the estimated EBITDA, the Consideration Shares will be reduced by the difference, multiplied by 6, subject to the minimum of the Base Purchase Price.

The Consideration Shares, Working Capital Shares, and Earn Out Shares (if any) will be subject to a statutory hold period of four months and one day.

The Vendors, being Mr. Alex Rechichi, Mr. Mark Rechichi, and Mr. Sean Black, all directors of Issuer, are shareholders of CraveIt, and therefore the Transaction constitutes a "related party transaction under Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions ("MI 61-101"). The Issuer is relying on exemptions from the formal valuation and minority approval requirements of MI 61-101 based on a determination that the securities of the Issuer are listed on the Canadian Securities and that neither the fair market value of the subject matter of, nor the fair market value of the consideration for, the Transaction, in so far as it involves interested parties, exceeds 25% of the market capitalization of the Issuer. Pursuant to MI 61-101, the Issuer will file a material change report providing disclosure in relation to each "related party transaction" on SEDAR+ under the Issuer's issuer profile at [www.sedarplus.ca](http://www.sedarplus.ca). The Issuer did not file the material change report more than 21 days before the expected closing date of the Transaction as the details of the Transaction and the participation therein by each "related party" of the Issuer were not settled until shortly prior to the closing of the Transaction, and the Issuer wished to close the Transaction on an expedited basis for sound business reasons.
